

STATE OF INDIANA

INDIANA UTILITY REGULATORY COMMISSION

PETITION OF AMERICAN SUBURBAN)
UTILITIES, INC. FOR APPROVAL OF)
COMPLIANCE FILING AND PHASE III) CAUSE NO. 44676 S1
RATES)

UNOPPOSED MOTION TO MODIFY PROCEDURAL SCHEDULE

American Suburban Utilities, Inc. (“ASU”), by counsel, has conferred with the Office of Utility Consumer Counselor (“OUCC”) and the intervenor and as a result of those discussions now proposes a modification of the procedural schedule, which will promote the administrative efficiency of this Cause. ASU has filed its certificate that the improvements are in service; however, not all construction work has been completed yet. ASU proposes to delay the date for the OUCC and any intervenors to submit their prepared testimony until after June 30, 2020 when the work on the Phase III improvements are to be completed pursuant to the extension on the IDEM construction permit. ASU requests that the procedural schedule be modified as follows:

1. On or before June 30, 2020 (the date on which ASU’s extended construction permit will expire), ASU will file notification that all construction activities have been completed and provide to the OUCC the final inspection reports from TBird Engineering, final completion certificate and notification that final payment has been made, Certified Record Documents as submitted to IDEM’s Facility Construction and Engineering Support Section, and the application for renewal of the NPDES Permit as submitted to IDEM NPDES Permit Section.
2. The OUCC and any intervenors will file the testimony and evidence constituting their respective objections, if any, to the Phase III rates on or before August 5, 2020.
3. ASU will file its responsive testimony on or before September 4, 2020.

4. The evidentiary hearing will be rescheduled for some time the week of October 5, 2020 or as soon thereafter as possible.

5. During the extension, interim rates subject to refund will remain in effect as previously approved, until the ultimate effective date of the Phase III rates is addressed in this subdocket.

6. Discovery up until the date that ASU files its Notice of Completion shall be responded to within ten (10) business days of receipt. Upon the filing of Petitioner's Notice of Completion, discovery turnaround shall return to five (5) business days. Discovery served after noon on a Friday or day before a day on which the Commission offices are closed will be deemed received the following business day.

7. ASU has consulted with the OUCC and the intervenor, both of whom have indicated their agreement to the procedural schedule and discovery terms proposed herein as well as continuation of interim rates.

Respectfully submitted,
