**ADDENDUM TO SUPPLEMENTAL TESTIMONY**  
**of**  
**JEFFREY A. WILLMAN**

**On**  
**Behalf of**  
**Petitioner,**  
**CWA Authority, Inc.**

**Petitioner's Exhibit 5A**

1   **Q.   WHAT IS THE PURPOSE FOR YOUR ADDENDUM TO**  
2   **SUPPLEMENTAL TESTIMONY IN THIS PROCEEDING?**

3   A.   The purpose of this addendum to my supplemental testimony in support of the  
4       Settlement Agreement filed on March 30, 2017, is to provide the Commission an  
5       update on discussions CWA Authority, Inc. ("CWA") has had with those Satellite  
6       Customers that had not intervened in this proceeding at the time CWA submitted  
7       the Settlement Agreement to the Commission on March 23, 2017. I will further  
8       describe how the status of those discussions impacts the relief being requested by  
9       CWA in Cause No. 44685-S1.

10   **Q.   PAGES 9 AND 10 OF YOUR MARCH 30, 2017 SUPPLEMENTAL**  
11   **TESTIMONY BRIEFLY DESCRIBE THE PROPOSED IMPACT OF THE**  
12   **SETTLEMENT AGREEMENT ON THE SATELLITE CUSTOMERS**  
13   **THAT HAD NOT INTERVENED IN THIS PROCEEDING PRIOR TO**  
14   **THAT TIME. PLEASE PROVIDE AN UPDATE WITH RESPECT TO THE**  
15   **RELIEF REQUESTED REGARDING EACH OF THOSE SATELLITE**  
16   **CUSTOMERS.**

17   A.   An update with respect to each of those Satellite Customers follows:

- 18       •   Tri-County Conservancy District ("Tri-County"): Following its meeting  
19           with CWA in March, 2017, Tri-County executed a Termination  
20           Agreement with CWA, which, upon approval of a Commission Order in  
21           this subdocket proceeding, terminates Tri-County's Satellite Customer  
22           Contract and certifies the amount of permitted capacity available to Tri-  
23           County. The Tri-County Termination Agreement is Attachment JAW-3.

- 1           • The City of Beech Grove ("Beech Grove"): On May 1, 2017, CWA  
2           submitted a proposed Special Contract to Beech Grove per the request of  
3           Beech Grove's legal counsel. The Special Contract is substantially similar  
4           to the Special Contracts that CWA has entered into with the City of  
5           Lawrence, the City of Greenwood, and the Ben Davis Conservancy  
6           District, which are attached to the Settlement Agreement filed on March  
7           23, 2017. It is my understanding that Beech Grove may approve and  
8           execute the Special Contract on or about June 5, 2017, which upon  
9           approval, would be submitted as a late filed exhibit in this sub-docket  
10          proceeding. A copy of the proposed Beech Grove Special Contract is  
11          Attachment JAW-4.
- 12          • Hamilton Southeastern Utilities, Inc. ("HSE"): At the March 9, 2017,  
13          meeting with CWA, HSE indicated it was pleased with the idea of reduced  
14          bills going forward as a result of the proposed termination of its Satellite  
15          Customer Contract and application of Sewer Rate No. 6 following  
16          Commission approval of that rate. On April 20, 2017, CWA submitted to  
17          HSE a proposed Termination Agreement, which would, upon approval of  
18          a Commission Order in this subdocket proceeding, terminate HSE's  
19          Satellite Customer Contract and certify the amount of permitted capacity  
20          available to HSE. A copy of the proposed Termination Agreement with  
21          HSE is Attachment JAW-5.
- 22          • The Town of Whitestown ("Whitestown"): Following the April 12, 2017,  
23          meeting between Whitestown and CWA, Whitestown filed a Verified

1           Petition to Intervene for Limited Purposes, and a Motion to Dismiss for  
2           Lack of Jurisdiction or Alternatively Stay or Amend the Schedule as to  
3           Whitestown, and CWA filed a response to Whitestown's Petition to  
4           Intervene which indicated that it did not object to the Commission  
5           granting leave to Whitestown to intervene as a party to this proceeding  
6           under certain conditions. CWA also stated that it did not object to the  
7           Commission establishing a separate sub-docket proceeding to address the  
8           terms of service related to Whitestown's connection to CWA's system.  
9           By Docket Entry dated May 4, 2017, Whitestown's Petition to Intervene  
10          was granted and the deadline for CWA to respond to the Motion to  
11          Dismiss was stayed. As provided in the Docket Entry, in order to allow  
12          time for CWA and Whitestown to attempt to negotiate a resolution of their  
13          disputed issues, the Commission intends to create a second sub-docket to  
14          address the appropriate wholesale rate for Whitestown.

15   **Q.   IS CWA REQUESTING THAT THE SATELLITE CUSTOMER**  
16   **CONTRACTS FOR SATELLITE CUSTOMERS HSE, TRI-COUNTY AND**  
17   **BEECH GROVE BE TERMINATED IN THIS SUBDOCKET**  
18   **PROCEEDING?**

19   A.   Yes. Now that CWA has executed and/or proposed Termination Agreements with  
20   Tri-County and HSE and proposed a Special Contract with Beech Grove, CWA is  
21   requesting that the Satellite Customer Contracts for HSE, Tri-County, and Beech  
22   Grove be terminated and replaced with Sewer Rate No. 6 upon Commission  
23   approval.

1    **Q.    WHAT DOES CWA NOW PROPOSE WITH RESPECT TO THE**  
2           **CONTRACT BETWEEN CWA AND WHITESTOWN?**

3    A.    As shown by the revisions to my March 30, 2017 Supplemental Testimony on  
4           page 9, CWA is no longer requesting application of Sewer Rate No. 6 to  
5           Whitestown and termination of its Satellite Customer Contract with Whitestown  
6           as a part of the relief requested in this subdocket proceeding. Instead, as reflected  
7           in its Response to Whitestown's Petition to Intervene, CWA agrees that issues  
8           with respect to Whitestown should be addressed in a separate sub-docket  
9           proceeding. Therefore, CWA is of the view that the Commission's Order  
10          approving the Settlement Agreement in Cause No. 44685-S1 should have no  
11          impact or prejudice on Whitestown given the Commission's impending creation  
12          of a second sub-docket to address Whitestown.

13   **Q.    DOES THAT CONCLUDE YOUR ADDENDUM TO SUPPLEMENTAL**  
14          **TESTIMONY IN THIS SUBDOCKET PROCEEDING?**

15   A.    Yes.

**VERIFICATION**

The undersigned affirms under the penalties for perjury that the foregoing testimony is true to the best of his knowledge, information and belief.

A handwritten signature in black ink, appearing to read 'Jeffrey A. Willman', is written above a horizontal line.

Jeffrey A. Willman

## TERMINATION AGREEMENT

This Termination Agreement ("Agreement") is executed on April 11, 2017, by and between CWA Authority, Inc. ("CWA") and Tri-County Conservancy District ("Tri-County") (hereinafter, CWA and Tri-County may be referred to collectively as the "Parties").

### RECITALS

WHEREAS, Tri-County and the City of Indianapolis, Indiana (the "City"), acting by and through its Department of Public Works, entered into that certain Agreement for Sewage and Wastewater Transportation and Treatment Services dated February 12, 1996 (the "Current Contract"), whereby the City agreed to provide sewage and wastewater treatment and disposal services to Tri-County pursuant to the terms of the Current Contract;

WHEREAS, the Current Contract was assigned to CWA pursuant to the Indiana Utility Regulatory Commission's (the "Commission") Order dated July 13, 2011 in Cause No. 43936; and

WHEREAS, the Parties desire to terminate the Current Contract pursuant to the terms set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants and undertakings contained herein, and for good and valuable consideration, the receipt and sufficiency of which are hereby irrevocably acknowledged, the Parties agree as follows:

### AGREEMENT

1. The Recitals are incorporated herein and made a part hereof as if restated in full.
2. Upon the issuance of a Final Order by the Indiana Utility Regulatory Commission in Cause No. 44685-S1, which approves the Settlement Agreement without modification or condition unacceptable to any Settling Party and includes a provision approving the rates, terms and conditions of Sewer Rate No. 6: (i) Tri-County shall become subject to Sewer Rate No. 6 on a date specified in such Final Order; (ii) the Current Contract immediately shall terminate and have no further force or effect; and (iii) the Parties acknowledge that all Parties' responsibilities and obligations under the Current Contract have been fulfilled.
3. Tri-County shall be allotted Permitted Capacity in the amount of 1.0 MGD for Average Daily Flow and 3.0 MGD for Peak Daily Flow. Tri-County is authorized to issue letters certifying wasteload allocations under 327 IAC 3-2-2(c)(6), subject to the Permitted Capacity limitations set forth herein. Tri-County may apply for additional capacity beyond the Permitted Capacity by submitting a written application to CWA. CWA will evaluate and model any such request to determine if additional flows can be accommodated by the CWA collection system without the need for system improvements. If so, CWA shall approve such additional capacity request. If CWA collection system improvements are required to accommodate Tri-County's additional flow request, CWA may require from Tri-County co-funding of system improvements based on a ratio of Tri-County's wet weather peak flow versus the total wet weather peak flow in

the impacted sections of the CWA collection system. CWA will not charge Tri-County any Connection Charges for any new connections to Tri-County's collection system.

4. In the event of a conflict between the provisions of this Agreement and the provisions of Sewer Rate No. 6, then the provisions of this Agreement shall control.

IN WITNESS HEREOF, the Parties have caused this Agreement to be executed by their respective authorized representatives.

The Parties agree and acknowledge that both Parties took part in drafting this Special Contract. All of the terms and conditions of this Special Contract shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

B. Sole Purpose. This Special Contract and the rates, charges, terms and conditions contained herein are applicable only to the sewage disposal services furnished by CWA and as requested by Beech Grove under this Special Contract and Sewer Rate No. 6. C. Good Faith Efforts. The Parties agree that each Party shall in good faith take all reasonable actions necessary to permit such Party to fulfill its obligations under this Special Contract. Where the consent, agreement or approval of either Party must be obtained hereunder, such consent, agreement or approval shall not be unreasonably withheld, conditioned or delayed. Where either Party is required or permitted to act, or omit to act, based on its opinion or judgment, such opinion or judgment shall not be unreasonably exercised. (f) the provisions of Sections 5 and 10 B, C, F (f) and G shall continue in full force and effect beyond the term, or termination, of this Special Contract; provided that Beech Grove shall no longer be allotted the Permitted Capacity under Section 5 to the extent Beech Grove implements an alternative sewage treatment solution as provided for in Section 10 C. In such case, the Permitted Capacity shall be reduced by a like amount or otherwise renegotiated in good faith.

### RECITALS

WHEREAS, HSE and the Consolidated City of Indianapolis, Indiana (the "City"), acting by and through its Board of Public Works, entered into that certain Agreement for Sewage and Wastewater Treatment and Disposal Services dated March 2, 2001 (the "Current Contract"), whereby the City agreed to provide sewage and wastewater treatment and disposal services to HSE pursuant to the terms of the Current Contract;

WHEREAS, the Current Contract was assigned to CWA pursuant to the Indiana Utility Regulatory Commission's (the "Commission") Order dated July 13, 2011 in Cause No. 43936; and

WHEREAS, the Parties desire to terminate the Current Contract pursuant to the terms set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants and undertakings contained herein, and for good and valuable consideration, the receipt and sufficiency of which are hereby irrevocably acknowledged, the Parties agree as follows:

### AGREEMENT

1. The Recitals are incorporated herein and made a part hereof as if restated in full.
2. Upon the issuance of a Final Order by the Indiana Utility Regulatory Commission in Cause No. 44685-S1, which approves the Settlement Agreement without modification or condition unacceptable to any Settling Party and includes a provision approving the rates, terms and conditions of Sewer Rate No. 6, HSE shall become subject to Sewer Rate No. 6 on a date specified in such Final Order, and the Current Contract immediately shall terminate and shall have no further force or effect, subject to the survival provision of Section 19.06 of the Current Contract.
3. HSE shall be allotted Permitted Capacity in the amount of 0.033 MGD for Average Daily Flow and 0.1 MGD for Peak Daily Flow. HSE is authorized to issue letters certifying wasteload allocations under 327 IAC 3-2-2(c)(6), subject to the Permitted Capacity limitations set forth herein. HSE may apply for additional capacity beyond the Permitted Capacity by submitting a written application to CWA. CWA will evaluate and model any such request to determine if additional flows can be accommodated by the CWA collection system without the need for system improvements. If so, CWA shall approve such additional capacity request. If CWA collection system improvements are required to accommodate HSE's additional flow request, CWA may require from HSE co-funding of system improvements based on a ratio of HSE's wet weather peak flow versus the total wet weather peak flow in the impacted sections

of the CWA collection system. CWA will not charge HSE any Connection Charges for any new connections to HSE's collection system.

4. CWA shall cause a copy of this Agreement to be duly recorded in the Office of the Recorder of Marion County, Indiana. HSE shall cause a copy of this Agreement to be duly recorded in the Office of the Recorder of Hamilton County, Indiana.

IN WITNESS HEREOF, the Parties have caused this Agreement to be executed by their respective authorized representatives.
