**IN THE MATTER OF THE PETITION OF NEUSTAR, INC., ON BEHALF OF THE INDIANA TELECOMMUNICATIONS INDUSTRY, FOR APPROVAL OF NPA RELIEF PLAN FOR THE 812 NPA**

**CAUSE NO. 44233**

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On August 6, 2014, the Indiana Utility Regulatory Commission ("Commission") initiated the above-captioned cause to determine compliance with the Commission's July 31, 2013 Order in this proceeding and to address concerns regarding the ability of certain businesses that service the medical and law enforcement industry to switch to mandatory 10-digit dialing. A technical conference for this proceeding was held on September 3, 2014 at 9:30 a.m. in Room 222 of the PNC center, 101 West Washington Street, Indianapolis, Indiana.

On August 20, 2014, the Indiana Telecommunications Association ("ITA") submitted comments to the Commission in the above-captioned proceeding ("ITA Comments"). The ITA notes that its members are ready to implement mandatory 10-digit dialing in the 812 Numbering Plan Area ("NPA"). Therefore, the ITA recommends that the Commission establish a deadline for mandatory 10-digit dialing in the 812 NPA.

The Presiding Officers, having reviewed the ITA's comments and the information provided during the technical conference, hereby set the following procedural schedule:

(1) The ITA shall submit testimony in support of its request to move forward with mandatory 10-digit dialing in the 812 NPA by September 17, 2014.

(2) Parties may file a response to the ITA's testimony by September 24, 2014.

(3) The Evidentiary Hearing in this matter is scheduled for October 2, 2014 at 1:00 p.m. in 224 of the PNC Center, 101 West Washington Street, Indianapolis, Indiana.

**IT IS SO ORDERED.**

Carol A. Stephan

Carol A. Stephan, Commission Chair

David Veleta

David E. Veleta, Administrative Law Judge
