PROPOSED TARIFF

I, Chris Haskell, President of South County Utilities, Inc. ("SCU, Inc.") is authorizing the necessary 30-day Filing for a rate modification to be submitted and reviewed by the Indiana Utility Regulatory Commission.

Currently, all SCU, Inc. customers pay a flat monthly rate of \$64.85 (No.43799-U - 6/16/2010). The proposed 1.6% decrease to a monthly rate of \$63.81 is the result of House Enrolled Act 1002 to repeal the Utility Receipts Tax.

Affected customers will be notified as required under 170 IAC 1-6-6. Legal Notice will be published in the Northwest Indiana Times no later than June 27, 2022. In addition, a notice will be included in the monthly billing.

Thank you for your attention in this matter.

Best Regards,

Chris Haskell 6/24/22
South County Utilities, Inc.

TO THE INDIANA UTILITY REGULATORY COMMISSION ("IURC"):

1. South County Utilities, Inc. ("SCU, Inc."), Crown Point, Indiana, under and pursuant to the Public Service Commission Act, as amended, and House Enrolled Act 1002 ("Act"), respectfully requests Commission approval, changes in the schedule of rates for electricity sold as listed in the attached tariff page.
2. The accompanying changes in the schedule of rates are based solely upon the impact of the repeal of the Utility Receipts Tax ("URT"), as set forth in the Act. In the settlement Agreement approved in the Final Order for IURC Case No. 43799-U (June 16, 2010).
3. Therefore, the current rates were adjusted downwards by 1.6% to remove the URT. The resulting adjusted rates are shown in the attached tariff page.

If approved, this change of rate shall take effect for the bills to be rendered beginning on the date the IURC sets forth. Attached are the applicable tariff sheet and working papers to support this filing.

I verify that a public notice has been provided as part of this 30-day filing and this letter and the attached documents are true and accurate to the best of my knowledge.
