Re: Targeted Economic Development Project Designation, Cause No. 45647 TDSIC-2

Ms. Schneider,

The IEDC is pleased to learn that Duke Energy Indiana, LLC (DEI) is petitioning the Indiana Utility Regulatory Commission ("IURC") for approval to treat infrastructure costs associated with the StarPlus Energy Energy Project as a Targeted Economic Development (TED) Project as part of DEI's updated TDSIC six-year investment plan under Cause No. 45647 TDSIC-2. The IEDC believes that a successful deployment of updated energy infrastructure will be paramount to the success of the overall project.

Please consider this letter the IEDC's acknowledgment and approval that DEI's TED project serves the purposes of economic development in Indiana pursuant to the IURC's General Administrative Order 2016-6.

Thank you for your efforts of continued economic development in Indiana. If we can be of any further assistance or if you have any questions or concerns relating to this letter, please let us know.

Sincerely,

Mark Wasky
Special Counsel to the Secretary of Commerce
Senior Vice President, Community Affairs
