CAUSE NO. 46193

You are hereby notified that on this date the Indiana Utility Regulatory Commission (“Commission”) has caused the following entry to be made:

On March 5, 2025, Nucor Steel-Indiana, a division of Nucor Corporation (“Nucor”) filed its Petition to Intervene (“Petition”) in the above captioned Cause. Nucor states that it is a major end use of electric power and energy supplied by Duke Energy Indiana, LLC, and as such, it has a substantial interest in the outcome of this proceeding. No objections to the Petition were filed.

The Commission’s procedural rules provide that a petition to intervene may be granted if it satisfies the requirements of 170 IAC 1-1.1-11 and “shows the proposed intervenor has a

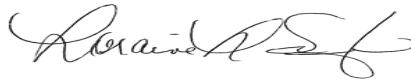

substantial interest in the subject matter of the proceeding or a part thereof, and the proposed intervenor's participation will not unduly broaden the issues or result in unreasonable delay of the proceeding . . ." 170 IAC 1-1.1-11(d).

The Presiding Officers find the Petition satisfies the requirements of 170 IAC 1-1.1-11 and Nucor has demonstrated a substantial interest in the subject matter of this proceeding. Nucor shall also not seek to unduly broaden the issues or cause unreasonable delay. Therefore, Nucor's Petition is GRANTED.

IT IS SO ORDERED.
