**NOTICE OF AGREEMENT IN PRINCIPLE AND MOTION
TO MODIFY PROCEDURAL SCHEDULE**

Indiana-American Water Company, Inc. (“Indiana American” or “Company”), by counsel and on behalf of itself and the Indiana Office of Utility Consumer Counselor (“OUCC” and together with Indiana American, the “Settling Parties”) notifies the Commission that an agreement in principle with respect to resolution of all disputes, claims and issues in this Cause has been reached by and among the Settling Parties. To give effect to their agreement, the Settling Parties request a modification to the procedural schedule as detailed below.

1. To provide sufficient time for the Settling Parties to memorialize their agreement, and in lieu of filing its case-in-chief in this subdocket on October 10, 2022, Indiana American will submit a revised 30-day filing pursuant to 170 IAC 1-6-1 *et seq.* reflecting the Settling Parties’ agreement on or before October 20, 2022. This filing will replace Indiana American’s original 30-day filing for which this subdocket was created, which will be withdrawn upon filing of the revised filing.

2. Contemporaneously therewith, on October 20, 2022, the OUCC will file a notice indicating its stipulation and non-objection to the revised 30-day filing, and, to the extent necessary, withdrawal of its objection to the withdrawn original 30-day filing.

3. On or before October 27, 2022, the Settling Parties will file a joint motion to dismiss this subdocket.

The Settling Parties believe the proposed modifications to the procedural schedule will allow the Commission to give effect to the terms of their agreement in principle in the most efficient and expeditious manner available, without the need for further formal proceedings, testimony and hearing.

Counsel for Indiana-American has been authorized by counsel for the OUCC to submit this filing on their behalf.

WHEREFORE, the Settling Parties respectfully move this Motion be promptly granted; that the procedural schedule be revised as proposed herein; and that the Commission grant to the Settling Parties all other relief as may be reasonable and appropriate in the premises.

Respectfully submitted,
