## Purpose of the Report

Crowe LLP (“Crowe” or “we”) has performed a study and analysis of the operating and financial reports and other data pertaining to the Town of Winfield Sewage Works (“Utility”). The results of our analysis are contained in this Financial Analysis Report (“Report”).

The purpose of this Report is to calculate the debt service coverage of the Utility on current debt service payments. This Report is based on data for the twelve months ended September 30, 2023, December 31, 2022, and December 31, 2021. The historical information used in this Report was taken from the books and records of the Utility.

In the course of preparing this Report, we have not conducted an audit of any financial or supplemental data used in the accompanying exhibits and schedules. We have made certain projections based on assumptions provided by the Utility that may vary from actual results because events and circumstances frequently do not occur as estimated and such variances may be material. We have no responsibility to update this Report for events and circumstances occurring after the date of this Report.

If you have any questions regarding this Report, please call Jennifer Wilson at (317) 269-6696.

- (1) System Development Charges (“SDC”) are one-time capacity charges paid by new customers to the Sewage Works for system capacity. SDCs may be used for capital expenditures or payment of debt service. The collection of SDCs is contingent on new customers connecting to the Sewage Works.
- (2) Including the PILOT Payment and excluding the SDC, the coverage is 161% or \$316,579 for September 30, 2023, 140% or \$206,971 for December 31, 2022, and 126% or \$133,413 for December 31, 2021. According to the parity provisions listed in the bond ordinances of the currently outstanding bonds, the Net Revenues available for debt service is required to be 125% of the maximum annual debt service on the outstanding debt and the proposed additional debt to be issued on parity with the outstanding debt. The definition of “Net Revenues” is defined as gross revenues after deduction only for the payment of the reasonable expenses of operation, repair and maintenance and which reasonable expenses of operation, repair and maintenance specifically do not include any rates or charges in lieu of taxes (“PILOT Payment”).
