In Re: Proposed Water Rate Increase

Dear Water Customer:

The purpose of this letter is to notify you that the Floyds Knobs Water Company, Inc. did, on June 20, 2018, file an application with the Indiana Utility Regulatory Commission to increase the water rate charged to customers of the Floyds Knobs Water Company.

This application was filed pursuant to Ind. Code 8-1-2-61.5 without the necessary cost of a Utility Regulatory Commission hearing. However, a public hearing by the Utility Regulatory Commission may be held if any public or municipal corporation, ten (10) individuals, firms, corporations or associations, or ten (10) complainants of all or any of these classes affected by the proposed rate change requests a formal public hearing by filing a written, signed request with the Secretary of the Commission, Utility Regulatory Commission, 101 W. Washington Street, Suite 1500 East, Indianapolis, Indiana 46204. Said request must be received by the Utility Regulatory Commission within forty (40) days after the date the application was filed with the Utility Regulatory Commission and declared complete. In addition, a public hearing may be held if the same is requested by the Indiana Utility Consumer Counselor.

The proposed increase in the water rate requested by the application is approximately 24.36%, and is proposed to be an "Across the Board" increase.

In the absence of a written request as provided herein, there likely will be no hearing conducted by the Utility Regulatory Commission on this application.
