HARDY HILLS SOLAR ENERGY LLC'S QUARTERLY REPORT:
FOURTH QUARTER 2021

This Quarterly Report ("Report") is filed as required by the Commission's Order in this Cause issued on June 23, 2021, in Cause No. 45490 (the "Order"). This report provides the required information to the extent such information is known and available.

(1) Any changes to the information provided in the Initial Report.

The information provided in the Initial Report is updated as follows:

(2) Name, title, address, and phone number(s) for primary contact person(s) for the Facility.

Hannah Pawelczyk
Manager, Renewable Development
Invenergy LLC
One South Wacker Drive, Suite 2000
Chicago, IL 60606
Telephone: (312) 429-2565

(2) Any reports of Interconnection System Impact Studies not previously submitted to the Commission.

The MISO DPP Phase II System Impact Study was provided with Hardy Hills Solar's Initial Report. According to the current MISO DPP schedule, the DPP Phase III report is expected by February 1, 2022.

(3) Copy of the GIA as filed with the FERC.

The GIA has not yet been finalized.

- (4) Notice of the establishment of an independent financial instrument, including its form and amount.**

This has not yet been established.

- (5) Achievement of construction milestones described in the GIA and such events as the procurement of major equipment, the receipt of major permits material to the construction and operation of the Facility, construction start-up, initial energization, and commercial operation.**

Not applicable. Hardy Hills Solar has not yet commenced construction.

- (6) When commercial operation is achieved, the nameplate capacity, term, and identity of the purchaser(s) for contracts then existing for utility sales, contingency plans (if any) detailing response plans to emergency conditions as required by state or local units of government, the interconnecting transmission owner and/or MISO, and the Facility's certified (or accredited) dependable capacity rating.**

Not applicable.
