Ms. Helene,

Thank you so much for providing the detailed information I requested.

As I result, I want it to be known that I do object to Duke's request for a 30-day extension as there is no basis for it.

Thank you,

Kelly Feiock

Dear Ms. Feiock,

After receiving your email, we double checked our records. To clarify, Duke Energy was notified of your appeal on May 24, 2017, the day you requested your appeal. The Consumer Affairs Division ("CAD") Director, Kenya McMillan, sent an email (attached) to the utility representative on your complaint, Ms. Melissa Coffman of Duke Energy. On June 1, 2017, Ms. Coffman requested a copy of the your appeal so she could send it to Duke Energy's legal counsel, and a copy of your appeal was sent via two emails (attached) that same day.

Because there is no attorney of record at the time of an appeal request, it is the utility representative that receives the notice and then, once the utility submits a Notice of Appearance in the docketed appeal, that attorney is added to the service list and is served with all future case documents.

Please let me know if you have any additional questions.

Thank you.

Beth E. Helene

Dear Melanie,

I would like for IURC to confirm that they did not notify you, please. I already made Mr. Atterholt aware of problems with his team. If this is continuing, then he needs to be made aware of it.

Ms. Feiock, Duke Energy Indiana was not properly notified of you appeal of the decision of the Consumer Affairs Division's disposition in your complaint case and therefore will be seeking a 30 days extension to file an answer your complaint. We will be filing a motion for extension. Do you have an objection to this request?
