GREENSBORO SOLAR CENTER, LLC'S QUARTERLY REPORT:
THIRD QUARTER 2021

This Quarterly Report ("Report") is filed as required by the Commission's Order in this Cause issued on May 5, 2021. This Report provides the required information to the extent such information is known and available. The requested information is as follows:

(1) Any changes to the information provided in the Initial Report.

There are no changes to the information provided in the Initial Report.

(2) Any reports of Interconnection System Impact Studies not previously submitted to the Commission.

All available system impact studies have been provided.

(3) Copy of the GIA as filed with the FERC.

The GIA as filed with FERC was attached to the testimony of Zachary Melda as Petitioner's Attachment ZM-7.

(4) Notice of the establishment of an independent financial instrument, including its form and amount.

This has not yet been established.

(5) Achievement of construction milestones described in the GIA and such events as the procurement of major equipment, the receipt of major permits material to the construction and operation of the Facility, construction start-up, initial energization, and commercial operation.

Not applicable. Greensboro Solar Center has not yet commenced construction.

- (6) When commercial operation is achieved, the nameplate capacity, term, and identity of the purchaser(s) for contracts then existing for utility sales, contingency plans (if any) detailing response plans to emergency conditions as required by state or local units of government, the interconnecting transmission owner and/or MISO, and the Facility's certified (or accredited) dependable capacity rating.**

Not applicable.

- (7) A copy of the decommissioning plan agreed to with Henry County.**

The decommissioning plan has not yet been agreed to.
