**TOWN OF NASHVILLE, INDIANA'S SUPPLEMENTAL RESPONSE TO
TO THE DECEMBER 11, 2019 DOCKET ENTRY**

Comes now the Town of Nashville, Indiana (Nashville), by counsel, and submits this supplemental response to Questions 7, 8, and 9 of the Indiana Utility Regulatory Commission's (Commission) December 11, 2019 Docket Entry. Nashville recently discovered that the Town passed two separate ordinances annexing portions of the area commonly known as "Firecracker Hill." Nashville's original response made reference to only the first of the two ordinances.

7. Responding Party: Nashville

Nashville annexed a portion of the area known as Firecracker Hill by Ordinance No. 2017-02, which was adopted on April 20, 2017, and became effective on January 3, 2018. Nashville annexed the remainder of the area known as Firecracker Hill by Ordinance No. 2017-09, which was adopted on September 21, 2017, and became effective on January 3, 2018. Copies of both ordinances are attached as Attachment N-1.

8. Responding Party: Nashville

The Firecracker Hill area is completely within the Town of Nashville Water Service Area as defined in Ordinance No. 2017-04 and modified by Ordinance No. 2017-07. As of January 3, 2018, the Firecracker Hill area is completely located within Nashville's corporate boundaries as annexed by Nashville in Ordinance Nos. 2017-02 and 2017-09. The annexed area is colored yellow and red on the map attached to Ordinance No. 2017-07, which is attached as Attachment N-2. The annexed area is described in detail in Ordinance Nos. 2017-02 and 2017-09, which are attached as Attachment N-1.

9. Responding Party: Nashville

The water service that Nashville agreed to provide to Red Truck, LLC (aka Big Woods, Hard Truth, and Hard Truth Hills), is located completely within the Town of Nashville

Water Service Area as defined in Ordinance No. 2017-04 and modified by Ordinance No. 2017-07. As of January 3, 2018, the water service being provided to Red Truck, LLC is also completely within Nashville's corporate boundaries. Therefore, although such water service is within Nashville's Water Service Area, it is now located inside Nashville's corporate boundaries and is no longer located in the *regulated territory* as that term is defined in Ind. Code § 8-1.5-6-2.

Respectfully submitted,
