ELECTRIC POWER)**

**MEADOW LAKE SOLAR PARK LLC D/B/A INDIANA CROSSROADS SOLAR PARK'S
INITIAL REPORT**

This Initial Report ("Report") is filed as required by the Commission's Order in this Cause issued July 14, 2021. This Report provides the required information to the extent such information is known and available.

The requested information is as follows:

(1) Facility ownership and name(s) of the Facility.

The owner of the Facility is Meadow Lake Solar Park LLC d/b/a Indiana Crossroads Solar Park ("Meadow Lake Solar"). The name of the Facility is Indiana Crossroads Solar Park.

(2) Name, title, address, and phone number(s) for primary contact person(s) for the Facility.

Meadow Lake Solar Park LLC d/b/a Indiana Crossroads Solar Park
c/o EDP Renewables North America LLC
1501 McKinney Street, Suite 1300
Houston, TX 77010
Attention: General Counsel
Telephone: (713) 265-0365

(3) Number and location of solar panels deployed.

Meadow Lake Solar has not yet installed any solar panels at the project site. Based on preliminary design, Meadow Lake Solar will have approximately 510,000 solar panels.

(4) Anticipated total output of Facility.

The anticipated output of Meadow Lake Solar is 200 MWac.

(5) Manufacturer, model number, and operational characteristics of panels.

Meadow Lake Solar is currently evaluating solar panel options and has not yet finalized the type of solar panels to be used.

(6) Connecting utility(ies).

The connecting utility will be Northern Indiana Public Service Company.

(7) Copy of any Interconnection System Impact Studies prepared by MISO.

A System Impact Study was attached to the testimony of Ryan J. Brown as Attachment RJB-7.

(8) Expected in-service (commercial operation) date.

The expected commercial operation date is mid- to late-2022.

(9) Current estimate of the engineering/construction timeline and critical milestones for the Facility.

Currently, the expected timeline for the Facility is as follows:

Start of Construction: September 7, 2021

Panel Deliveries Begin: Q1 2022

Initial Energization: Q4 2022

Substantial Completion: End of 2022

(10) The status of the LGIA with MISO.

Meadow Lake Solar, NIPSCO, and MISO entered into an LGIA on November 18, 2019. A copy of the LGIA was attached to the testimony of Ryan J. Brown as Attachment RJB-8.

(11) The information listed under the Subsequent Reports section, to the extent such information is available.

Finding 9(B) of the Order requires the following information be reported in subsequent reports to the Commission. The information is provided to the extent it is known and available.

(i) Any changes to the information provided in the Initial Report or a prior Subsequent Report.

Not applicable.

- (ii) **Any reports of Interconnection System Impact Studies not previously submitted to the Commission.**

All available system impact studies have been provided.

- (3) **Copy of the LGIA as filed with the FERC.**

The LGIA has not yet been finalized.

- (4) **Notice of the establishment of an independent financial instrument, including its form and amount.**

This has not yet been established.

- (5) **Achievement of construction milestones described in the GIA and such events as the procurement of major equipment, the receipt of major permits material to the construction and operation of the Facility, construction start-up, initial energization, and commercial operation.**

Not applicable.

- (6) **When commercial operation is achieved, the nameplate capacity, term, and identity of the purchaser(s) for contracts then existing for utility sales, contingency plans (if any) detailing response plans to emergency conditions as required by state or local units of government, the interconnecting transmission owner and/or MISO, and the Facility's certified (or accredited) dependable capacity rating.**

Not applicable.

VERIFICATION

The undersigned, Ryan J. Brown, being first duly sworn upon his oath, states that he is the Executive Vice President – Eastern U.S.-Mexico-Canada-Government Affairs of EDP Renewables North America LLC; that he prepared or supervised the preparation of Meadow Lake Solar Park LLC d/b/a Indiana Crossroads Solar Park's Initial Report; and that the statements contained therein are true to the best of his/her knowledge, information, and belief.
